THE ROYAL STEP STRATEGY

Positioning Kolhapuri Chappals as a Global Luxury Lifestyle Product

STP ANALYSIS

Target: "The Modern Maharaja" — Affluent urban professionals (25–45) and the Global Diaspora seeking to merge heritage with status.

Insight: The Heritage-Comfort Gap — Addressing the friction between the desire for cultural aesthetics and the demand for modern ergonomics.

Positioning: "The Tuxedo of Chappals" — Transcending functional wear to become a global symbol of executive authority.
